U.S. Citizen

Education:

Worcester Polytechnic Institute - Worcester, MA
Bachelor of Science in Computer Science

May 2026

Skills:

Languages: TypeScript, Python, SQL

Frameworks & Tools: Next.js, React, AWS, Node.js, SQLite, MongoDB, Git, Agile Development

Certifications: AI Fluency: Framework & Foundations - Anthropic, AI Fluency for Builders - Anthropic

Work Experience:

Pulsence - Remote

May 2025 — July 2025

Intern Software Engineer

- Developed a functional demo of an AI agent tailored for restaurant customers in Python to showcase product capabilities directly to clients
- Leveraged AWS services (S3, Lambda, API Gateway and Amplify) to build a scalable cloud-based service
- Collaborated with a startup team, translating technical requirements into deliverables aligned with client use cases

Projects:

Student Assistant Placement Tool

August 2025 — May 2026

- Built and deployed a full-stack web application(Next.js, Typescript, tRPC, Prisma, NextAuth) with 3 collaborators that serves **100+ active users**, automating the student assistant selection process from end to end
- Reduced assignment turnaround from **10+ hours to under 1 hour** by digitizing approval workflows
- Developed using agile sprints, pull requests and code reviews with daily stand-up meetings

Real-Time Multiplayer Blackjack

June 2026

- Built a real-time multiplayer game using a monorepo with Next.js, TypeScript, Node.js, Express, and MongoDB
- Engineered the **WebSocket** layer to synchronize game state across all connected clients, broadcasting updates on every action for live room-based play
- Engineered an **authoritative game server** that validates every player action, manages turn order and dealer logic, and broadcasts synchronized state to all clients in room-based multiplayer sessions
- Persisted user accounts in MongoDB via Mongoose through Next.js API routes

Inventory Organization System

July 2025

- Automated PDF parsing using python libraries to extract and count order numbers
- Implemented by client, decreasing inventory processing time by **50%** which led to **cutting 5 hours** of work per week

Activities:

NCAA Division III Wrestling

Member

August 2022 — March 2026

Zeta Psi Fraternity Inc.

President

November 2024 — December 2025

WPI Freestyle Wrestling Club

President

December 2023 — December 2024
